

*Take  
the Hill*

**KINDRED**  
COMMUNITY CHURCH

---

**You are the light of the world.**

A city that is set on a hill cannot be hidden.

Nor do they light a lamp and put it under a basket, but on a lampstand, and it gives light to all who are in the house.

**Let your light so shine before men,  
that they may see your good works and glorify your Father in heaven.**

Matthew 5:14-16 NKJV

Dear Friends,

Over the last fourteen years at Kindred we, like those in Nehemiah's day, have seen the good hand of God upon us. God has honored the worship of His Son and the preaching of the gospel by growing this ministry in both depth and breadth.

Knowing full well that the church is the people and not the building, I am nevertheless excited for this next chapter in the life of our church as we begin expansive improvements to our facilities. **The growth of Kindred demands and deserves site improvements and building expansion so that we may embrace greater ministry capacity and capability.** Those in this church's past did it for us, and we need to do it for a present and future generation.

**Caleb prayed for a mountain, God has given us a hill, and it is therefore my prayer that we will *Take the Hill* for God's glory and continue to be a gospel light set on a hill that cannot be hidden.**

In His Service,

Pastor Philip De Courcy

# Take the Hill

**God has entrusted Kindred Community Church to be stewards of one of the largest and most beautiful church properties in all of Orange County with an expansive campus strategically placed in Anaheim Hills, California.**

Kindred was established in 2003, as a church meeting in a rented facility. God graciously allowed Kindred to purchase the current church campus in our first year and move into our new home in 2005 after improving the property and enlarging the worship center. Since moving in, Kindred has continued to improve the property to meet our growing needs. This has primarily entailed adding more modulars for children and adults and expanding parking lots, which included the purchase of an adjoining property in 2014.

In the past few years, we've addressed our growing ministry and operational needs by developing an offsite location to accommodate our church offices and several midweek ministries, but now our pressing needs are on the main campus.

**We believe that this is the time to take the next step forward in the further development of our property by:**

- ① **Adding over 9,000 additional square feet of ministry space** in the worship center and more modular classrooms for children and adults
- ② **Creating expanded and enhanced outdoor areas** for gathering and fellowship amidst the beauty of our property
- ③ **Updating our campus buildings and grounds** to maximize their usefulness and appearance
- ④ **Centralizing the campus for greater ministry effectiveness** by locating our buildings around the worship center

**By expanding to accommodate our growth and having all worship, fellowship and ministry activities centralized on one level, our congregation can be better served. We will be taking everything up to the top, both literally and figuratively, which is why our theme *Take the Hill* is appropriate.**

## VISION

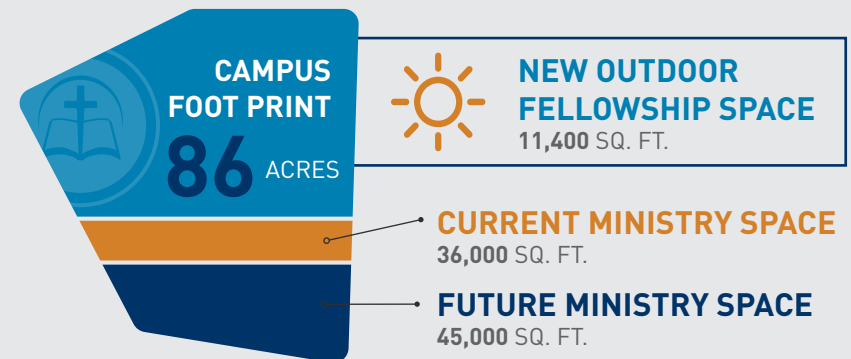

**Kindred Community Church exists to glorify God by making, maturing, and mobilizing disciples of Jesus Christ throughout the world.** Since the church's inception we have remained focused on being biblically faithful. We are grateful that God has allowed us to represent Christ in North Orange County and beyond.

We are an established, mature, gospel-focused, Bible-preaching, disciple-making, worshipping, praying, grace-oriented church. Our desire is to equip our members with the Word of God to do the work of the ministry and represent Jesus where God has placed them. God has given us a wonderful and diverse membership of all ages, ethnicities, and walks of life brought together under the banner of seeking to be a biblical church.

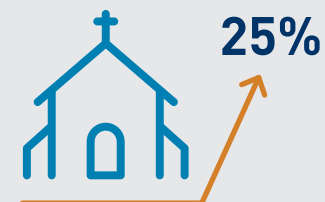

**Our prayer is that God allows us to continue in faithfulness to reach the world with the Gospel, both in our own community and around the world for generations to come.**

## STEWARDSHIP

**Designing our campus to maximize ministry is good stewardship of the property God has entrusted to us.** More people served through the ministries and facilities of our church means more glory to God and impact on our community for Christ.

### EXPANDED MINISTRY CAPACITY

### EXTIMATED TIMELINE

**ENHANCED & EXPANDED  
CHILDREN'S MINISTRY FACILITIES**

To better serve the youngest part of our church we will bring our nursery to the upper campus with the rest of our children. We will also remodel and add classrooms to accommodate growth in our children's ministry.

**A FULLY RENOVATED  
WORSHIP CENTER**

When we gather on Sunday mornings nothing is more precious than when we worship together through music and the preaching of God's Word. Our new Worship Center will reflect that value with a beautiful new design, an expanded platform, improved technology, and an additional 200 seats so that even more people can experience the transformative power of God's Word.

**TAKE THE HILL**

This project is an expansion of our space, an enhancement of the overall campus, and an efficient use of all of the resources God has given to us.

**We are expanding by adding over 9,000 square feet of indoor space to allow our ministry to continue to grow.** Through this project we will be enhancing the overall look of the campus' outdoor space with new landscape, hardscape and lighting elements.

**These improvements will help make our campus more cohesive by bringing most of our ministry space together** on the upper campus and utilizing our beautiful outdoor space for ministry and fellowship.

**REPOSITIONED  
OVERFLOW TENT**

We will reposition the existing tent for better access to our new fellowship spaces.

**RELOCATED & MODERNIZED  
ADULT MINISTRY FACILITIES**

We will be moving our adult ministry classrooms closer to the worship so instead of crossing a parking lot, these buildings will be a few short steps from where we worship. This will enhance ease of access and create more fellowship opportunities. We will also renovate these classrooms for improved comfort, aesthetics, and learning.

**ENHANCED OUTDOOR  
FELLOWSHIP SPACES**

Living in beautiful Southern Californian we have the joy of spending a lot of time outside. We want to take advantage of the beauty of our campus by creating three new outdoor venues for fellowship where we can enjoy the views and each other.

**ADDITIONAL  
CONVENIENT PARKING**

We will create a new parking lot to add additional parking near the upper level of the campus to provide even easier access to all the facilities used for ministry.

# Our Challenge

Just as God has entrusted Kindred Community Church with our beautiful property at the end of Santa Ana Canyon Road, God has entrusted each of you with various resources to be invested for His Glory.

**Take the Hill is a strategic investment in God's Kingdom**, but investment comes at a price and we believe that God will provide through a number of sources. **We would invite you to be one of those that God uses to move this project forward to allow the light of the Gospel to shine even brighter in Orange County.**

Since Kindred was founded in 2003, we have always been known as a church who loves and cares for one another. By God's grace and provision, we have grown to who we are today on the shoulders of others before us who acted in faith. Moving forward, it's now our turn to be part of the current and future life of Kindred. We are also known as a church of good stewards of what God has provided, and responding to needs through serving and giving. It is our prayer that you would join us in meeting this need by giving to help us *Take the Hill*. Thank you!

## HOW YOU CAN PARTICIPATE

Whether you are a member at Kindred Community Church or a friend of this ministry, we would love for you to participate in *Take the Hill* at whatever level God leads you.

### PRAY

We believe that God is ultimately the one who will accomplish this, and we want as many people as possible praying for all aspects of this project. By providing your email, we will put you on a special list that will give monthly updates on ways you can pray for this endeavor.

### MAKE A PLEDGE TO GIVE

You can indicate your commitment to give above and beyond your regular giving to the ministry of Kindred in a monthly amount specifically to support *Take the Hill*.

### GIVE A ONE TIME GIFT

You can make a one-time donation specifically to *Take the Hill*. You can make a check payable to "Kindred Community Church" and write "Take the Hill" in the memo line. You can also give online by scanning the QR code below.

TO JOIN US ON THIS JOURNEY PLEASE FILL OUT THE ENCLOSED RESPONSE CARD OR SCAN THE QR CODE to fill out a digital version of the card or visit [kindredchurch.org/TaketheHill](http://kindredchurch.org/TaketheHill)
